Applicants are expected to be ready to accept accommodation at Unitarian House as soon as it is offered. If accommodation is declined, applicants will have two additional refusals (a total of three refusals) before being removed from the list.

Please include the \$20 application fee with your application.

Applicants will receive a letter annually for you to confirm your wish to remain on the waiting list. There is a charge of \$20/year to maintain your status on the waiting list.

Admission to Unitarian House will be guided by three criteria: seniority on the applicable Waiting List, suitability to the type of accommodation being offered and the willingness of residents to share interests and actively participate and volunteer in the wealth of activities taking place throughout the year.
